On the Move Careers and First Friday of the Bay Area Announce a Strategic Partnership

City, St – July 19, 2013 – On the Move Careers, Inc., the leading organization that helps professionals reassess, realign and reinvent their career possibilities, and First Friday of the Bay Area, the premier happy hour/mixer/party for young urban professionals in the Bay Area for 20 years running, announce a strategic partnership to provide relevant and comprehensive career resources and tools to all of its members.

“I am very excited about the partnership between On the Move Careers, Inc. and First Friday of the Bay Area,” said Vaneese Johnson, Founder of On the Move Careers. “The partnership will bring relevant and current career resources and tools to help First Friday’s members achieve their career goals. We have a number of upcoming career related events that will address gender workplace challenges, the changing world of work landscape, and the future of Bay Area employment.”

“1st Friday’s of the Bay Area is very excited about partnering with On The Move Careers,” said Daryle L. White, Partner of 1st Friday’s of the Bay Area. As the Economy & Job Market slowly rebounds, we would like to help increase the visibility to viable career opportunities. We will be partnering with OTMC to co-host a series of Social Media Career Post & Blogs, Career Workshops, Webinars and Events that will provide increased access to a multitude of Job opportunities & resources for our loyal supporters and followers.”

On the Move Careers’ mission is to help professionals gain clarity, focus and direction in executing their career objectives through productivity tools, personal support and career management training. To find out more information about On the Move Careers, go to www.OTMCareers.com.

First Friday of the Bay Area provides premier events that cater to urban professionals such as doctors, lawyers, entrepreneurs, medical professionals, bankers, executives, accountants, engineers, educators, public officials, sales professionals, real estate/venture capitalists and professional athletes.
